Runoff Election for Prexy Held Yesterday

Six Student Senators Chosen by Voters

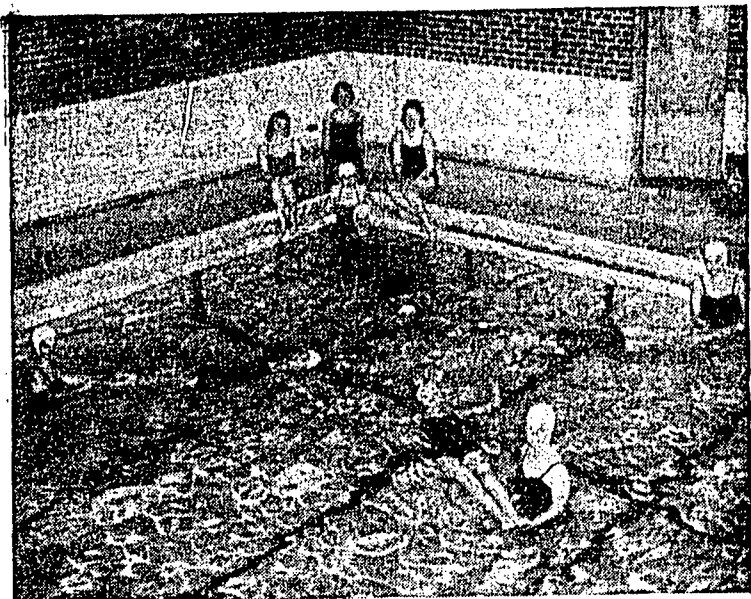

At the time this paper went to press Joe Merrigan, T.K.E., and Roger Blackwell, Sigma Tau Gamma, candidate, had been selected by vote of the student body to be the presidential candidates in the runoff election held April 11. The vice-president candidates considered were Anne Chick and

Sue Crone.

Complies With Constitution
This election was necessary to comply with Article VI, section 4 of the constitution which states: "If all legal votes cast for one of the candidates for President, or for Vice-President, do not constitute a majority of all such votes cast for that particular office, a second elec-

tion, and election between the highest two candidates in each instance, shall be held within two school days after the first election."

Class senators elected in the April 7 election were Bob Cotter and Don Soper, freshmen; June Nelson and Bob Cobb, sophomores, Martie Gray and J. C. Combs, juniors.

Fantasy Is The Theme Of Annual Swim Show

"Underwater Fantasy" will be presented by members of the Sigma Phi Dolphins Club at their 12th annual swim show on April 19, 20, and 21.

The shows will be presented each evening in the College Pool at 8 p.m. Cleanne Ferguson is the student director of the event.

Marine-life Numbers

The following numbers will be presented:

"Slippery Eel"—Nadine Lind and Virginia Barrels; "Star Fish"—Carol Thornton, Joy Coutts, and Carolyn Gould.

"Mermaids"—Dorothy Cooley, Gretchen Dickey, Judy Keplinger, and Penny Pendleton.

"Penguin's Delight"—Linda Houk, Carole Lininger, Jean Roberts, and Cicily Spicer.

"Water Lilies"—Horace Mann Junior High girls including Cheryl Job, Kathy Bragdon, Betty Jo Fields, Barbara Ware, Roxy Holman; and "Angel Fish"—Jean Roberts and Cleanne Ferguson.

Guest swimmers appearing in the number "Sailor's Fascination" with Carole Lininger and Barbara Stagg will be Richard Smith and Jim Halloran.

Spicer Plans Scenery

Scenery for the show is being planned by Cicily Spicer, president of the Sigma Phi Dolphins Club.

Tickets for the show may be obtained from any Swim Club member. Student tickets may be purchased for 25c with activity tickets. Adult tickets are 50c. Miss Bonnie Magill is the faculty sponsor.

ATTENTION SENIORS

As soon as seniors have signed a contract for teaching, they are eligible to use the services of the Northwest Missouri Teachers Credit Union.

Loans can be arranged for current living expenses, attending summer school, purchase of automobiles, and other expenditures.

One may borrow up to \$300 on his signature and more with security. Payments may be delayed until salary is received this fall.

For additional information contact Dr. Dale J. Blackwell, Room 207D, Classroom Building.

Parking Tickets

The following students have parking tickets as of April 6. They should pay them in the Business Office.

Peter Anthan, Lawrence Bundy, Dolleta Burrell, Jim Dack, Stephen Corrigan.

Eddie Cox, Bob Carmichael, Larry Dew, Joseph Grove, Victor Guymon, William Hackett, James Hefner.

Larry Kulisek, Robert Matthew, David Moyer, Jerome McKinnon, Mavis Neese, Myrl Nichols.

Richard Preston, George Silence, E. D. Spaulding, Sue Ann Thompson, Ed Whitaker, Betty Williams.

Annual Ag Banquet To Be Held April 21

The annual Father-Son Banquet of the Agriculture department will be held Friday, April 21, in the Union building.

Book Contest Is Announced

Kappa Delta Pi is now holding its bibliophile contest. "Those with book collections are urged to enter the competition," states President Lynda Sellers.

Book collections must be turned in to the seminar room on the third floor of the Classroom building Tuesday, April 18, from 8:00-11:00 a.m. and from 3:00-5:00 p.m. If these times are not convenient, contact Lynda Sellers or sponsor, Dr. John Harr.

Judging Is Wednesday

The books will be judged Wednesday, April 19. The books can be picked up Thursday, April 20, between 8:00 and 12:00 a.m.

Cash prizes will be given to the best book collection on campus. First prize is \$7.50, second is \$5.00, and third is \$2.50.

The three top book collections will be put on display in

the Classroom building.

Rules Are Explained

1. A collection of books representative of many fields is highly desirable; however, it must be more than a superficial "show case" display and should be supported by an intensive collection in some special field.

2. Reference books are important.

3. Paper bound books are acceptable. Conditions: Must be on a high level.

4. A concentration in some field of your own personal choice will be a key factor in the final determination.

5. Evidence for reasonable degree of usage will be looked for by the judges.

6. Explanation of how and why they built up their collection.

7. Twenty-five book limit recommended.

Rainey Reviews Books At Book Club Meeting

Lucille Rainey gave book reviews of the books *Masters of Deceit* by J. Edgar Hoover and *The Ugly American* by Luderer and Burdick at the book club meeting Monday, April 10, at 7:00 p.m.

Special guests were English majors from Maryville High.

Board Names '61 Appointees

The NWMSC Board of Regents has appointed Miss Neva Ross as elementary school supervisor at Horace Mann School. Miss Ross will be replacing Miss Chloe Millikan, who is retiring, in September.

Other Appointments

Other new appointments made are C. W. Rounds as a staff member of the Music department. Rounds is currently filling an interim appointment during the absence of Earle Moss. Mrs. H. R. Dietrich was appointed to replace Mrs. Pauline Arthur as junior high school supervisor until Mrs. Arthur is able to resume her duties.

Mrs. Rosemary Garten will replace Mrs. Julia Hutcheson as secretary to the Dean of Students.

Resignations accepted were: Mrs. Hutcheson; Richard Miller, fine arts department; William Yates, business department; and Dr. Mildred Ross, education department.

Dr. Sterling Surrey has been granted a leave of absence for the 1960-61 academic year. He plans to lecture at Massachusetts University.

Two New Dormitories To Be Erected Here

Two new dormitories are soon to be constructed on the campus of NWMSC. One of these dormitories will house 248 men and the other will house 260 women students. These new facilities are to be completed by the fall of 1962.

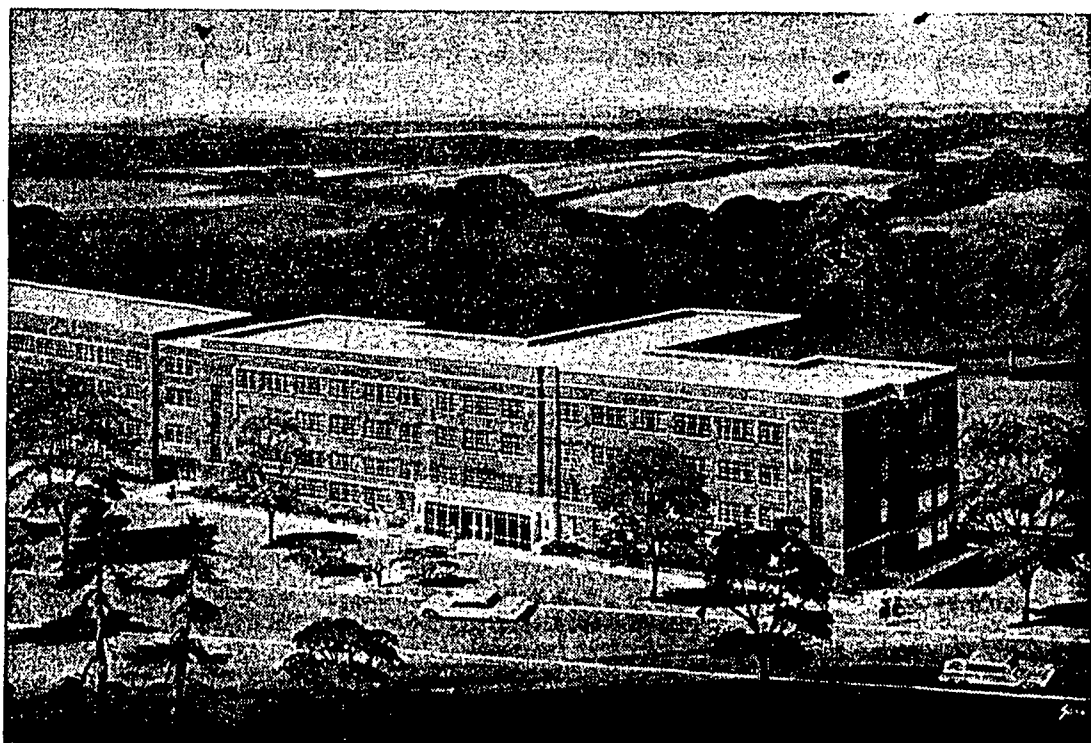

2411 Are Expected

A recent report to Governor John M. Dalton from the Council on Higher Education predicted an enrollment of 2411

students for the first semester of the school year 1962-63.

The enrollment of 1960-61 is the largest second semester enrollment in the history of the College. A count of 1889 students reveals that this is a 9% enrollment increase over the second semester of 1959-60.

At present 750 students are housed on campus. By the Fall of 1962, it is predicted that 1250 students will be housed on campus.

Shown above is a sketch of the new women's dormitory which will soon be under construction.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Daters Become Debtors—

'If the Grass Forgot To ...'

"If the grass forgot to. . . spring would be a dreary season."

Well, campus 'cats, it's here! Yes, spring fever has finally caught up with us.

It's that time of the year when a young man's fancy turns to the same thing that it's always turned to—girls. Now he has passed the stage of early-year shyness . . . now he is ready to become a dater! But with this newborn interest comes new responsibilities.

Responsibilities

He must save his money, he must limit his study of Palmsology to five nights a week. He must shine his shoes and buy new razor blades.

And then comes the most dreaded task of all—he must sweep out and wash the ole hot rod that hasn't been cleaned up since the high school prom.

Are There Others?

But aside from romantic ventures, spring fever provides us with many more activities. Among them are tennis, picnics, drives in the country, golf, drive-ins, and a large variety of others.

Spring fever is truly "RESTLESSNESS INCORPORATED". If you don't have it yet just wait a few days, it will find you!

'A Hunting We Will Go'

Big-Game Season Is Open!!

Got your limit yet? Of pedestrians that is. The season on these animals of the asphalt jungle began with the first spark of the engine and ends when the last souped-up convertible is safely parked for the night.

Hunting Areas Are Ideal

The finest spot to bag some of this human game is near the campus signs which read "Stop for Pedestrians." Of course, a few hunters get "Buck Fever" and stop for walkers as the state law bids them. But there are enough out-of-season kills to make up for those who turn "chicken."

More game can be seen crossing at the intersection between Freshman Hall and the Classroom building than at any other. Previous hunters report that one can see them for almost a block, and a speed of 60 miles per hour can be reached before impact. This is the best rate of speed to insure a clean kill.

The members of the Big Game Club have drawn up the following point system in regard to the "Killer of the Year" Award given annually to the most careless driver. The system is as follows:

Girl spinning a hula hoop—10 points.

Student carrying arm load of books—15 points.

"M" Club member (limited to frosh drivers only)—20 points.

Professors wearing bermudas and smoking a pipe—25 points.

Remember, the limit is one a day with three in possession. So don't let the big ones get away!

Dr. Surrey Granted Leave For Lecturing At Mass. U.

Dr. J. W. Jones, president of Northwest State College, has announced that Dr. Sterling Surrey, chairman of the division of business, has been granted a leave of absence by the Board of Regents for the 1961-62 academic year.

Dr. Surrey plans to spend the time as visiting lecturer at the University of Massachusetts, Amherst. Dr. Elwyn DeVore, member of the division, has been named acting chairman during Dr. Surrey's absence.

Dr. Surrey has been teaching at the College since 1936. He has been instrumental in encouraging and teaching night business classes for adults of the community.

A native of New York City, Dr. Surrey received his Bachelor of Science Degree from the College of The City of New York, his MBA from Harvard,

and his PhD from the University of Pennsylvania.

He and his wife are currently the authors of a weekly column "Let's Think It Over," in The Maryville Daily Forum. He also has written many articles on insurance, investment, and other business topics.

He is a campus advisor for Blue Key, National Honor Fraternity, Student Senate, faculty head of the assembly committee, chairman of the Student Loan Fund.

Dr. and Mrs. Surrey are the parents of two children, Paula and David.

Dr. DeVore received his Bachelor of Science in Education Degree from the local College; his MS from Oklahoma, A & M, did graduate study at the University of Colorado and Kansas University, and received his doctor's degree from Indiana University. He began his teaching duties here in 1950.

Dr. and Mrs. DeVore, the former Miss Emma Isabelle Brown, are parents of three children, Mark, Jean Ann and Mary Sue.

Question: What do you think about allowing the girls to wear slacks in the library and in the union for the evening meal on Friday?

Ron Holland, sophomore
North K. C., Mo.

"I think they should be comfortable. I get to wear my Levis—why can't they?"

Judy Officer, sophomore
Kansas City, Mo.

"I think it's a good idea, and I think they should be allowed to wear Bermudas later on."

Dann Bachand, junior
Red Oak, Iowa

"I think they should be able to wear anything they want . . . (heh . . . heh) . . . within reason, of course!!"

Diana Hickey, junior
St. Joseph, Mo.

"If girls wear skirts to school all day long, I think they deserve to relax a little in the evenings."

Gary Cross, junior
Atlantic, Iowa

I think it's a great idea — BERMUDAS WOULD BE EVEN BETTER!!

Land of Logic

(Continued from last week)

Anxiously but calmly, you solve the problem. You divide the emeralds into three groups of three each and then weigh one of these groups against the other on the balance scale. You know the light emerald is among the unweighed group of three if the scales balance. If they don't, you also obviously know which group on the scales contains the odd emerald. Having narrowed it down to three emeralds, you choose two of those for your second weighing. The scale will then tell you which of the two is lighter, or will tell you, by balancing perfectly, that the lighter is the one left over.

But do not think you've escaped from the rigors of Logic-Land! Stopping for the night in a roadside inn, you encounter Mino Taur, the proprietor, who will feed you to his pet python ("They eat the most illogical people") unless you can answer an old Medieval riddle.

Mr. Taur produces a cask containing a gallon of wine and a bucket containing a gallon (Continued on Page Four)

Independents I, III Win Campus Bowl

The Independents I team of Richard Scharff, David March, Bob Briggs, and captain Ivan Lyddon defeated the Alpha-TKE team of Marlene Hizer, Julia Elmore, John Miller, and captain Hugh Hadden in the second Northwest Missouri "Campus Bowl," March 28, in the classroom building.

Tuesday, April 4, the Independent III team of captain Julia Henry, Nancy Marley, Linda Potter, and Marlene Elliott downed the Independent II team of captain Tom Whitney, Tim Johnson, Ray Boone, and Doug Bieneau.

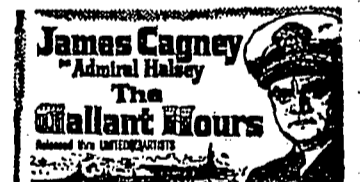

The College Heights team of Captain Sam McNaughton, Marlin Holtmeyer, Joe Varner, and Scott Graham defeated the Sigma Tau Gamma team of Larry Kulisek, captain, Jim McCoy, Phil Richmond, and Roger Blackwell Thursday, April 6.

More interesting rumors picked up by the Stroller express everyone's concern for a grand finale to the intellectual endeavor on our campus. Faculty vs. the winning "Campus Bowl" team????

Helpful Hints On Survival!!

There are a few simple hints as to how to accomplish certain things in life. These hints are generally compiled by individuals who know nothing whatever about the subject, and so can approach it with fair and open mind. I, too, have joined this vast brigade of the un-knowing who are in the know. Here are a few of my helpful hints:

Six Simple Saws

How to cheat on an exam: Study over a period of time, instead of cramming the night before the test.

How to make a big hit with your P.E. Prof: Bring your pogo stick to class and let him (her) try to use it.

How to live happily and successfully on 500 dollars per year: Don't eat.

How to get enough courage to speak up in class, when you know your professor has made an incorrect statement: Practice ventriloquism.

How to get the attention you so richly deserve for your time and effort spent devoting yourself wholeheartedly to Geography 15: Cry a lot in class.

How to get out of mid-terms: Die.

—Shirley Palla

of water. Taking a quart of wine from the cask, he pours it into the water and mixes the solution thoroughly. Then he takes a quart of the wine-water mixture and pours it back into the pure wine.

"Now," asks Mino Taur—and the silence in the inn is frightening to hear—"is there more or less wine in the bucket than there is water in the cask?"

Watching the python lick his chops in the corner of the inn, you hastily explain that there is exactly as much water in the cask as there is wine in the bucket. If at the beginning the two containers both held equal volumes of mixtures, it is obvious that equal amounts of wine and water must have changed place!

The last leg of your journey takes you through Boondockville where you are immediately elected sheriff for the day. Before you can clip on your badge, eight renegades are dragged before you. One of them has robbed the mayor. You must find the guilty one or you'll be boiled in old margarine—a Boondock tradition.

Now the laws of Boondockville say that each suspect may

make one statement, and this is what each of them say:

A. Ascot Andy—"I'm guilty, I confess."

B. Billy Blackguard—"Guimp is guilty."

C. Crook-Fingered Crowell—"Blackguard lies."

D. Dick Derelict—"Festoos robbed the mayor."

E. Ezra Endocrine—"Festoos is innocent."

F. Fuzzy Festoons—"Guimp is a liar."

G. G. Grapnel Guimp—"I didn't do it, sheriff."

H. Harry Heliotrope—"Nobody stole anything; the sheriff is a paranoid."

The suspects take a lie detector test, and you learn that four of the eight are lying. But another Boondock law forbids the sheriff knowledge of which ones are lying. And yet, master of logic that you now are, you can tell who is guilty on the above evidence.

Draw a square and divide it into eight boxes horizontally and eight boxes vertically. Write the names of the suspects along the side and their initials along the top. Now, in the first row put down what Ascot Andy's words implied about the guilt or innocence of each suspect... and X for guilty... and an O for innocent. When you've done this for the others, you'll see that the first column down (Ascot Andy's) is the only one with four X's and four O's corresponding to your knowledge that four were lying and four were telling the truth. Ascot Andy is arrested, the first is removed from the margarine, and your vacation in Logic-Land comes to an end.

AG Team Wins Meet

The stockmen of N.W.M.S.C. attended the National Livestock Judging Contest held at Abilene, Texas, March 22. The team finished with the high score among fourteen colleges and universities participating in the event. Members of the team are Bill Simmons, Charles Patterson, and Dick Johnson. Patterson placed 3rd and Simmons finished 5th in the individual scoring of the event.

The soils team from N.W.M.S.C. placed fourth in their field of competition. Members of the soil team are Ralph Russell, Harold Wilmarth, and Dale Hunziger.

The contest was held on the campus of Abilene Christian College in connection with the annual convention of National Association of College Teachers of Agriculture.

Faculty members of the department of agriculture, Chairman R. T. Wright, Mr. John Beeks, and Mr. F. B. Houghton, accompanied the team to Abilene.
